

Bioacoustic Blend was made in collaboration with Whitney Burnside of 10 Barrel Brewing. Conceptualized over a bottle of Petrus Aged Pale, we set off to produce a beer in the same vein, potent but with a light malt character, big oak expression, complex acidity, and mature flavors. The brew was a small batch, blending only three casks after 15+ months in vintage barrels formerly used for our retired old ale, Billy the Mountain. The Bioacoustic Blend drinks with a pleasant lactic/acetic balance showing less acidity than the Petrus example while showing a deeper range brettanomyces rooted aromas, especially as it warms.

FREQUENCIES

Bioacoustic Blend is a tart, pale brew aged over 15 months on oak.
