

Saison Bruges is a seasonal beer bringing together caramel malt flavors with fruity cacao nibs and spicy yeast notes. The openly fermented beer draws lots of aroma from our house blend of saison yeasts, showing black pepper notes alongside slight roastiness from the malt and a complex cherry note from the cacao. Oils from the nibs give the Bruges a satisfying richness. While not actually sweet, the beer has depth that can be perceived as full while maintaining high drinkability.

Grains: two-row pale, caramel, roast
Hops: bravo
Also: cacao nibs from Meridian Cacao
Yield: 105 cases, 7% abv
