2018 Fantasia, the eighth vintage, is the best yet. Made with late summer peaches and bursting with flavor and complex acidity, this batch shows how proper care and maintenance of oak barrels over several years produces a uniquely deep yet balanced profile. Special thanks to Baird Family Orchards for the phenomenal fruit! 6%

2018 Hearts' Beat is brewed each year with the darkest cherries of early summer using a method in which the fruit co-ferments with the wort right in the cask. That allows the yeast and bacteria on the cherries to contribute to the profile and also pulls high amounts of tannin into the beer, making for a natural wine type character. This 2018 vintage shows the best fruit expression to date, mostly in part to the excellent fruit supplied by Baird Family Orchards. 8%

2018 Oregon Native is the third release of our pinot noir laden brew done in collaboration with Derek Einberger of Patton Valley Vineyard. Produced using their estate fruit and fermented with their indigenous yeasts, the Oregon Native is an attempt to hybridize natural wine and wild beer. Relatively young, the beer shows bright strawberry notes with vibrant acidity and tannins which will later give way to more classic pinot noir flavors like darker fruit, light tobacco, and warm spice.

Baurenhaus Ensemble was brewed with the Commons back in 2017. It began as an open fermented hefeweizen before being transferred into some of their last barrels, where a maturation with two different brettanomyces strains developed the beer into its current state, full of complex fruity esters while retaining a fresh, satisfying wheat character. Notes of plum, bubble gum, and various flowers dominate the profile, especially as it warms. 5.5%
